

FURNITURE 201

This 60 minute CEU Approved program is energetic and insightful and injects humor, passion, and a strong dose of knowledge into the design process.

Key Takeaways

- The Designer's Role in Commercial Interior Project Success
- Insight About Contract Furniture
- The Roles of Manufacturers and Dealers
- The Specifics of Specifying
- The Furniture Procurement Process

About

Benhar Office Interiors continues to serve its architect and design community partners and influencer's of New York City through its continuing education and advanced trainings. Our very own ancillary design specialist delivers an engaging workshop to help your associates on the basics of the furniture procurement process, the contract furniture industry and specification.

Erica Jaffe has trained thousands of professionals in the design community, with over a decade of industry experience and is well known for her seminars.
